Dear Parents/Carers,

To raise money for our summer trip we would like the children to complete a sponsored treasure hunt.

Please find enclosed a sponsor form for your friends and relatives to record their donations on.

I have also enclosed the Treasure Hunt sheet for you to complete with your child over the half term holiday. Please stick the items they find onto the sheet and bring it back into nursery with the sponsor money.

All money raised will go towards the trip.

Thank you for your support
