[POP! goes the weasel - BBC Teach](#)

POP! goes the weasel

Half a pound of tuppenny rice

Half a pound of treacle

That's the way the money
goes

POP! goes the weasel.

Up and down the city road

In and out of the steeple

Round the town and back
again

POP! goes the weasel

Explore rice!

There are lots of activities you can do with your child using rice. Chat to your child about what you are doing. Use key words as they are exploring. You could try:

- Using rice in bottles to shake along to the songs.
- Have a washing up bowl full of dry rice for your child to explore. Add containers so they can learn to pour.
- Add food colouring to rice. Wait for it to dry and make layer jars. Always supervise these activities.
